ENTRY REQUIREMENTS FOR INTERNATIONAL CRUISE ITINERARIES

<p>CRUISE ITINERARY</p>	 <p>BEFORE YOUR HOLIDAY BEGINS</p> <p>Ensure you have everything ready for your Marella Cruises holiday. For all Marella Cruises holidays, make sure you check-in for your cruise at and check-in for your flight.</p>	 <p>AT YOUR UK AIRPORT</p> <p>Make check-in as smooth as possible by having all your documents ready. These documents may also be checked at the destination airport and Cruise Terminal.</p>	 <p>DO I NEED TO TAKE A TEST ON ARRIVAL?</p> <p>Be prepared for any additional tests that might be required in your destination</p>	 <p>DO I NEED TO COMPLETE TESTS OR FORMS FOR PORTS OF CALL?</p> <p>Depending on your itinerary, you may need to take tests for embarkation, during your cruise and to exit the ship in certain ports.</p>	 <p>DO I NEED TO COMPLETE TESTS OR FORMS TO RETURN HOME?</p> <p>You may need to complete tests and forms before heading home.</p>	 <p>OTHER INFORMATION</p>
--------------------------------	--	---	---	---	---	---

<p>HIGHLIGHTS OF THE MEDITERRANEAN</p> <p>-</p> <p>COSMOPOLITAN CLASSICS</p> <p>-</p> <p>TREASURES OF THE MEDITERRANEAN</p> <p>-</p> <p>MEDITERRANEAN MEDLEY</p> <p>-</p> <p>MEDITERRANEAN SECRETS</p> <p>-</p> <p>COASTAL GEMS</p> <p><i>7 Night Fly/Cruises</i></p> <p><i>14 Night Fly/Cruises</i></p> <p><i>Cruise & Stay Cruises</i></p> <p><i>From Palma, Majorca</i></p>	<p>VACCINE REQUIREMENT Everyone aged 12 and over must be fully vaccinated to travel on this cruise. This means all the required doses at least 14 days before departure.</p> <p>To satisfy the entry requirements of the countries visited on these itineraries, fully vaccinated is defined as 14 days after the administration of the last dose of your complete vaccine or 28 days after a second dose of Johnson & Johnson and up to 270 days from the administration of this last dose (the 270 day requirement applies to your whole holiday to ensure re-entry into destination on your return). If 270 days have passed since the last dose of your vaccine, you must also have had a booster, and this must be reflected on your vaccine certificate.</p> <p>TESTING REQUIREMENT As a Marella Cruises safety measure, all customers aged 2 and over must complete an antigen (rapid flow) test to be taken the day before you are due to fly to Majorca. The test must be taken before checking-in at your UK airport and you must produce a negative certificate at check-in.</p> <p>Italy also requires you to wear an FFP2 mask at times when ashore. Please ensure you bring FFP2 masks with you.</p>	<p>PROVE YOUR VACCINE STATUS You must prove your vaccine status by using the NHS App or by calling 119 for a paper copy. If you are from Northern Ireland, Wales or Scotland you should check how to prove your vaccine status.</p> <p>We'll also accept the official vaccination status letter from the health provider that administered your vaccination.</p> <p>SHOW YOUR NEGATIVE TEST RESULT You must show your negative antigen (rapid flow) test certificate at your UK airport.</p> <p>PASSPORT Your passport must have at least six month's validity</p> <p>COMPREHENSIVE CRUISE INSURANCE Bring proof of comprehensive cruise travel insurance that covers you for all the countries you are visiting.</p>	<p>ARRIVAL AT PALMA DE MALLORCA AIRPORT No, you do not need to take a test on arrival, however, you may be asked to undergo a random antigen (rapid flow) test.</p> <p>AT PALMA DE MALLORCA CRUISE TERMINAL No, however you will be asked to present the negative results of your antigen (rapid flow).</p>	<p>Ports of call entry information can change frequently, so we will provide you with any additional test or form requirements once you board the ship. Should any extra tests be needed, we will provide these free of charge onboard.</p> <p>Our onboard team will also help with any extra forms you need to complete. Please be aware that in some ports you may be required to complete tests (this may include children) or forms even if you do not plan on getting off in that port.</p> <p>If you are on a 14 night cruise there may be local regulations in place which mean you may be required to undergo an antigen (rapid flow test) half way through your cruise. If this is a requirement for your cruise you will be notified onboard.</p> <p>Italy also requires you to wear an FFP2 mask at times when ashore. Please ensure you bring FFP2 masks with you.</p>	<p>UNITED KINGDOM Currently, there are no COVID-19 re-entry requirements in place for the UK.</p> <p>REPUBLIC OF IRELAND</p> <p>FOR PASSENGER LOCATOR FORM AND TESTING REQUIREMENTS PLEASE SEE THE REPUBLIC OF IRELAND RE-ENTRY TABLE</p>	<p>Everyone travelling must complete the necessary tests.</p> <p>Marella Cruises Customers will require:</p> <ul style="list-style-type: none"> o Pre-Cruise Rapid Antigen (Lateral Flow) <p>Click here to purchase your Marella Cruises Pre-Flight / Pre-Cruise Test, - provided by Chronomics</p> <p>You can also purchase your pre-cruise antigen (lateral flow) test here through Randox.</p> <p>If you're looking for some extra reassurance – you can choose to book in-clinic tests at competitive prices, rather than home testing kits that need to be delivered and collected. For more information about testing and other test providers available visit here</p> <p>If your cruise requires any additional tests to those outlined above, we'll provide them onboard – free of charge.</p> <p>FCDO advice for the destinations you're visiting</p>
